Switching Between the SAT and the SAT with Essay

You can change to or from the SAT® with Essay without a change fee, but you'll be billed for the price difference between the two tests if you're switching to the SAT with Essay. You may be able to switch on test day during check in, but it's up to the test coordinator and depends on whether they have enough materials, space, and staff. This is the only change to your ticket information that can be made on test day.

Registration Corrections

You won't be able to take the test if the information on your ticket doesn't exactly match the test center attendance roster. If you make corrections, print a new ticket for test day.
